About the course

The objective of this study day is to deliver an informative
and educational programme for MSK ultrasound
practitioners of all experiences. Canon Medical Systems is
proud to offer free and accredited CPD for the professional
healthcare worker with an interest in MSK ultrasound. The
programme will cover both clinical case work and a more
holistic outlook to the sensitive nature of day-to-day
scanning.

Please note this event will take place subject to Government guidance:
this may mean that the event is postponed at short notice.
